Integration Commissioner, Bedburg-Hau  
Stand: Januar 2022

## INTRODUCTION

welcome in our local community of Bedburg-Hau, about 13,000 inhabitants live here together in seven villages.

In this folder you find lots of names and addresses of the first important points of contact just as for medical care, banks and bus connections.

You'll get help for these first steps of advice by social institutions like AWO (Workers' Welfare) or Caritas (Catholic Charities) and additionally you are helped by the Integration Commissioner of our local community.

The AIK (Initiative Group for Foreigners) wants to make your settling down in Germany easier in many ways. Our AIK offers advice in questions of law of foreigners and in laws about Asylum. It supports you in authorities' affairs, offers courses in language support and a lot more. You can find a list of their activities in this folder.

Beside that you will find information here about sports facilities, leisure activities and religious institutions.

We are looking forward to a trusting and peaceful togetherness in solidarity.

Your Mayor  
Stephan Reinders

Your Integration Commissioner  
Gertraud Gleichmann
